

CVCHS SUMMER 2020 PROTOCOL ACKNOWLEDGEMENT

On behalf of myself and my son, daughter, or person for whom I serve as legal guardian, I understand that Clayton Valley Charter High School (CVCHS) requires the following safety protocols for on campus activities for the Summer of 2020.

In receiving this document, CVCHS is requesting that you read and understand these protocols and agree that you and your child(ren) will strictly comply with them at all times. Parents, guardians as well as children and CVCHS staff participating in these activities will all receive these protocols. Please understand that any failure to comply may result in a loss of the ability of the student or staff member to continue in on campus activities at CVCHS for the Summer of 2020.

Receipt of this document is required to participate in on campus activities at CVCHS for the Summer of 2020.

Expectations for participation in on campus Summer 2020 activities at CVCHS:

1. The presence of students on campus is voluntary.
2. There are no more than 12 individuals together in a group and students are always in the same group.
3. Groups practice distancing when they are together, meaning members of the group are at least six feet apart whether they are indoors or outdoors.
4. If there are multiple groups on campus, they need to be in separate rooms or physically separate areas if they are outside.
5. If any equipment or furniture is used by multiple students, it needs to be sanitized before it is used by the next student.

CVCHS MAIN CAMPUS

1101 Alberta Way, Concord, CA 94521
Phone (925) 682-7474 • Fax (925) 825-7859

CVCHS DISTRICT OFFICE

1520 Kirker Pass Road, Suite B, Clayton, CA 94517
Phone (925) 524-7100 x101 • Fax (925) 954-4271

6. Students and staff need to sanitize their hands after using any item, other than their own personal items, before touching anything, including their face. All students and staff are encouraged to bring hand sanitizer or wipes to practice if possible, and these will also be provided by CVCHS.

7. Masks are heavily recommended to be worn by staff and students when indoors (masks must be worn by staff and students if they cannot appropriately distance indoors or outdoors). For this reason, all students and staff on campus must have a mask in their possession.

8. For athletics, students should wear gloves at all times on both hands wherever feasible.

9. There are no visitors permitted at on campus activities. This includes parents and legal guardians.

10. All students and staff should take their temperature before leaving for any on campus activity and are instructed that they are not permitted to attend if their temperature is over 100.0 degrees fahrenheit.

11. All students and staff are instructed to stay home if they have any symptoms of illness including, but not limited to: temperature, cough, sore throat, sneezing, body aches, loss of sense of smell, difficulty breathing, or fatigue.

12. There is no loitering on the CVCHS campus before or after your on campus activity.

13. Staff should arrive at least 15 minutes early to assure that all protocols are followed.

14. Students and staff should not share water bottles, other drinks or food at any time.

CVCHS and all students, staff, parents and guardians acknowledge all programs have inherent risks that cannot be eliminated and that there is inherent risk of potential exposure to infectious diseases, including but not limited to COVID-19/Coronavirus that cannot be eliminated.

We are looking forward to hosting limited on campus activities for the Summer of 2020 and please send any questions to info@claytonvalley.org.
